Dear Mr. Jones:

United Surgical Partners International Inc. Political Action Committee (USPI PAC) is requesting to change its filing frequency from quarterly to monthly for the 2010 election year. Based on your guidance, USPI PAC's first monthly report will be the March monthly report. The March monthly report will cover activity from 02/11/2010 through 02/28/2010, because the last report filed by USPI PAC, the Texas Pre-Primary report, covered activity through 2/10/2010.

Please do not hesitate to contact me if you have any questions.

Sincerely,

J. Anthony Martin
