

This Form 99 submission is in response to the Commission's letter dated April 30, 2008, regarding the Committee's Amended Year-End 2007 Report. The MEMO entries totaling \$130064.14 in 2007 represent proceeds from Dollars for Democrats during 2007. However, there was not enough revenue to offset the fundraising costs of the Joint Fundraising program for the Committee. Therefore, there were no transfers-in from the Joint Fundraising Committee.
