

This submission responds to the Commission's letter of May 19, 2011 regarding the committee's amended 2010 Amended 30-Day Post-General Report:

Receipts disclosed on Line 15 from various federal candidates and party committees relate to a phone program undertaken on behalf of these entities. Since the cost of the program exceeded the applicable contribution limit to the committees, the campaigns paid the committee for a portion of the phone program in order to avoid the receipt of an excessive in-kind contribution. The reimbursed expenses were originally disclosed on Line 21b to various vendors and individuals.
