Re: October Monthly Report

Dear Ms. Benitz:

I am in receipt of your letter dated November 20, 2002 asking for clarification of whether Together for Our Majority Political Action Committee (TOMPAC) assessed the usual and normal charge for goods and services provided to a federal candidate for which TOMPAC obtained a reimbursement which was disclosed on the October Monthly report. TOMPAC did charge the usual and normal charge for the goods and services as ascertained by the market value of the goods. The Committee did not make an in-kind contribution.

Sincerely,

Paul Scolese
