Dear Quy Vuong:

By this letter, Democrats Win Seats PAC ('the Committee') responds to the Commission's letter dated August 10, 2014. During the period covered by the May Monthly Report, the Committee received contributions earmarked for other committees. Lack of prior experience and familiarity with the specific disbursement requirement caused the contributions referenced by your letter, in an isolated occurrence, to be forwarded during the subsequent reporting period and hence itemized on the June Monthly Report. After identifying these circumstances on its own, but before receiving your letter, the Committee instructed relevant staff and consultants on the requirement to ensure the timeliness of future disbursements. If you have further questions regarding this matter, please contact the Committee.

Sincerely,

Vickie L. Winpisinger
Treasurer
