The Southwest Gas Political Action Committee 2022 Quarter 1 report was filed today, 4/15/22. Within it, we reported fraudulent activity within our Nevada State Bank account, linked to our PAC funds.

The fraudulent activity began in December 2021 (reported on the 2021 Year End report) and continued through February. The bank was made aware of these charges and, with the exception of two charges, all funds have been returned to the account. Because the bank has confirmed that they cannot place a blanket block on all ACH payments, we have decided to close our account, pending the two final refunds. Once the refunds are received a new account will be opened. We are anticipating to have this completed by mid-May due to the lengthy process. Please contact Ana Adkins (ana.adkins@swgas.com) with questions. Thank you.
