This statement is in reference to the Committee's Q1 Report. Any amount that appears to exceed federal limits does not. Any amount over the federal contribution limits has been refunded, reattributed within the 60 days, or re-designated to the Committee's Primary or General debt retirement accounts. These refunds will be reflected in subsequent reports. For contributions with dates after November 6, 2012, 1) the contribution was postmarked prior to election day or 2) the donor has designated in writing that the contributions are for Primary or General debt retirement accounts, or 3) we are in the process of seeking authorization from the donor to designate the contributions to Primary or General debt retirement. If authorization is not obtained to designate to Primary or General debt within 60 days, these funds will be either refunded to the donor or disgorged to the United States Treasury. With respect to LLCs, our Committee has safeguards in place to ensure that all contributions are made by eligible donors only. Regarding donors who had mailing addresses outside the United States, our Committee has safeguards in place to ensure that all contributions are made by eligible donors only. With respect to the non-federal committees listed, our Committee has safeguards in place to ensure that these committees used permissible funds for the contributions. The Committee has reviewed all reimbursements to individuals for travel and subsistence and confirms that no further itemization is required under any Commission regulations for these expenditures. No further itemization is required under FEC regulations. Checks were voided either because services were never rendered or they represent duplicate charges. Regarding disbursements on this report, the Committee continues to pay invoices received for pre-election expenses. Other disbursements include expenses necessary for the maintenance and wind-down of the Committee.
