Dear Filer:

This letter is prompted by the Commission's preliminary review of the Report of Independent Expenditures Made and Contributions Received (FEC Form 5) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** Additional information is needed for the following 1 item(s):

- FEC Form 5 indicates that you may have failed to file one or more of the required 24 hour reports for the independent expenditures that you have made (see attached). Any independent expenditure of \$1,000 or more (in the aggregate) which is made after the 20th day, but more than 24 hours, before the day of an election must be reported within 24 hours after the expenditure is made. To ensure that the Commission is notified of all independent expenditures of \$1,000 or more that are made, it is recommended that you review your procedures during the aforementioned time period. The failure to file 24 hour reports regarding independent expenditures may result in civil money penalties or legal enforcement action. If any independent expenditure was incorrectly reported, you must amend your original filing with the clarifying information. (11 CFR §§ 104.4(c) and (f), and 109.10(d))

Please note, you will not receive an additional notice from the Commission on this matter. Requests for extensions of time in which to respond will not be considered. Failure to comply with the provisions of the Act may result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
