Federal Election Commission
Washington D.C. 20463
Att: Ms. Ashley Carter

Dear Ms. Carter:

We are in receipt of your letter dated February 11, 2011 regarding our October Monthly Report (09/01/10 - 09/30/10) in which you questioned the following two items:

1. We received and disclosed a contribution from an organization which is not a political committee registered with the commission. This deposit into our federal account was an oversight on our part. The contribution received has been transferred to our non-federal account. We have since reviewed our procedures for deposits into our federal account and have implemented certain changes that we feel will help us resolve this matter for future reporting periods.

2. Schedule B line (30)b discloses payments for an Absentee ballot mailing and for our 2010 statewide bus tour mailpiece which were categorized as Federal Election Activity.

The disbursements were general in nature and did not promote, attack or oppose any candidate for federal office. Therefore, we believe they were categorized correctly and should not be attributed to any candidate for federal office.

Sincerely,

Mr. Doug Chamberlain, Treasurer
Wyoming Republican Party
