We are in receipt of your letter dated 4/17/17 regarding Schedule D and debt balances. The balances you reference in the letter as being the 2015 ending balances are actually the 2016 ending balances. All of the balance listed in the letter were the reported ending balance for 2015. We did find a difference from 2015 ending to 2016 beginning of \$754.95 and are preparing an amendment for that amount. The items listed in item one were debts reported on the year end 2016 report and not debt as of 2015 year end.
