Transaction ID:

Please note that the American Council of Engineering Companies (ACEC/PAC) has recently undergone an external audit of PAC activity covering January 1, 2005 through December 31, 2007. As a result of this audit, we discovered that our committee's reported available cash balance was incorrect. With the approval of our campaign finance analysts Marlene Daughtrey and Allen Norfleet we were advised to include a cash adjustment to balance our reporting with the actual funds available to the PAC at this time. This report contains a cash adjustment to correct the discrepancy between reports filed prior to the audit period and the available cash balance of the PAC as of January 1, 2005. The reasons for this discrepancy were not determined during the course of this recent audit.
