Re: Heartland Resurgence (C00544551) – Amended April Quarterly Report

Dear Mr. Jones:

This correspondence issues on behalf of Heartland Resurgence (Committee Identification Number C00544551) and its Treasurer, Mr. Aaron Willard, as a follow up to my letter of October 8, 2014 responding to your Request for Additional Information (RFAI) dated September 3, 2014.

Please find enclosed with this letter a signed copy of Heartland Resurgence's amended April 2014 Quarterly Report. Although we provided an example of what this amendment might look like in our previous correspondence, the documents we delivered were for illustrative purposes only and were not meant to take the place of the formal executed amendment. As such, please accept the attached report as the official, amended April filing. This signed submission corrects all of the technical deficiencies discussed in our RFAI response and likewise corrects a scrivener's error<sup>1</sup> in the example documents we provided. At your convenience, please post the attached materials as the true amended report on the FEC system (rather than our submission packet of October 8).

---

<sup>1</sup> In the example documents provided in our October 8 packet, the totals on Line 32 of the Detailed Summary Page wrongly indicated \$0.00 for both the periodic and year-to-date "Total Federal Disbursements". In this formal amended filing, Line 32 has been corrected to reflect the fact that there were \$678.50 in both periodic and year-to-date "Total Federal Disbursements" as of the end of the first calendar quarter.
