FEC MISCELLANEOUS TEXT RELATED TO A REPORT, SCHEDULE OR ITEMIZATION**Form/Schedule: F3XA****Transaction ID :**

This amendment is in response to the letter requesting additional information dated March 27, 2016. The letter identifies four items that the Commission is requesting additional information about. We will respond to each individually. The first item requests additional information on the identification of individuals who contributed in excess of \$200 in a calendar year. The Committee recognizes that there were a number of donors whose addresses and employer name and occupation was inadvertently left out due to an administrative error when importing the records. We have fixed this and have included the addresses, employer names and occupations for all donors for which we have the information. In addition, the Committee makes our best effort to collect this information by making sure the original solicitation contains a clear and conspicuous request for the required contributor information and making it clear that federal law requires the information be reported. If the information is not provided to the Committee, then we will follow up by sending a letter to the donor within 30 days of the donation requesting the missing information. This letter is sent by itself with no solicitation. It clearly requests the missing information, informs the donor that federal law requires that we report this information and includes a return envelope. We then make sure to update the records and report any additional information to the Commission prior to our next reporting date, or as memo entries in the next regularly scheduled report. The second item is regarding the itemized disbursements. As requested, we have reviewed the descriptions for the disbursements and where necessary provided additional descriptions for those disbursements. The third item is regarding certain itemized disbursements which did not include addresses. We have reviewed all disbursements and itemized disbursements adding all information available. The fourth item is regarding Schedule E. With respect to the 48-Hour Independent Expenditure Reports filed on December 5 relating to Independent Expenditures disbursed on December 1, the Committee disbursed \$3762.94 in digital advertising in each of the listed states on December 1 and public dissemination began on December 1. However, the digital advertising was spread evenly throughout the month of December, so the \$10,000 threshold with respect to the states listed was not reached until much later in December. Only the last \$93.73, about 2.5% of the total disbursement, caused the IE total to aggregate to \$10,000 or more. That amount likely reflects only a portion of the advertising publicly disseminated on December 31. While preparing the amended report to respond to the Commission's request for additional information, we found that we have left some disbursements off of the original report. We have added these disbursements to this amendment. Specifically there were some payments in November and December to Conservative Connector, Targeted Victory LLC and Campaign Solutions, as well as a payment to Mail Haus that had been inadvertently omitted. Also, in an effort to make sure that the disbursements are clear and complete, we added the amount of disbursements to media consultants which were then paid out as independent expenditures to
