Dear Mr. Tarone:

This FEC Form 99 is filed by America 2.0 PAC (the "Committee") in response to your request dated April 8, 2020 for additional information regarding the Committee's 2019 Mid-Year Report.

As we discussed on the phone, the Committee received reimbursement from Tim Ryan for America, a principal campaign committee, for services rendered for its benefit by third parties that were paid for by the Committee. The Committee disclosed these receipts as offsets to operating expenses, consistent with the guidance in Advisory Opinion 2004-37 (Waters) which involved similar circumstances. This letter serves to confirm that the Committee has acted consistently with that advisory opinion and no further amendments are necessary.

Sincerely,  
Allen Ryan, Treasurer
