Identification Number: C00078196

Reference: Year End Report (7/1/05-12/31/05)

Dear Mr. Tondreau:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30

days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2))  
The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-The identification of each contributor, including an adequate occupation and name of employer for each, must be provided if the person has contributed in excess of \$200 in the aggregate during the calendar year. Please amend Schedule A supporting Line 11(a)(i) for each entry inadequately identified as "Self-employed" and "Retailer."

-Your report does not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

-Schedule B of your report discloses reimbursements to individuals for "Reimbursement – fundraising expense" and "Reimbursement – Laptop." Please be advised that when itemizing reimbursements to individuals for goods or services, if the payment to the original vendor aggregates in

excess of \$200 in a calendar year, a memo entry including the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information and clearly identify on the Schedule B, which reimbursement each memo entry relates to. If itemization is not necessary, you must indicate so in an amendment to this report. 11 CFR §104.9, and Advisory Opinions 1992-1 and 1996-20, footnote 3

-Schedule B of your report discloses a reimbursement(s) to an individual(s) for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by committee staff that make up the reimbursement may have to be itemized. For example, if the related payment(s) to any one vendor by the staff aggregates in excess of \$200 for the calendar year, the payment(s) must be itemized as a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Please amend your report to include the missing information and clearly identify on the Schedule B, which reimbursement each memo entry relates to. If itemization is not necessary for a particular reimbursement to staff in excess of \$500, you must clarify this in an amendment to this report. 11 CFR §104.9 and Advisory Opinion 1996-20, footnote 3

-Schedule H4 of your report discloses reimbursements to individuals for "Expense reimbursement." Please be advised that when itemizing reimbursements to individuals for goods or services, payment to the original vendors must be itemized as memo entries regardless of amount. Each memo entry must include the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinions 1992-1 and 1996-20, footnote 3

-Please amend your report by providing the purpose for each disbursement itemized on Schedule(s) B and H4 supporting Line(s) 21(b) and 21(a).

-Your report includes multiple H1 Schedules. Please be advised that a State, District, or Local party committee should submit only one Schedule H1 to disclose the allocation ratio for shared administrative, generic voter drive, and exempt activity costs incurred. The Schedule H1 should be filed with the first report of each calendar year that discloses allocable activity. Please amend your report to clarify this discrepancy.

26039232781

-Please clarify all expenditures made for "Fundraising Expense" and "Reimbursement – fundraising expense" on Schedule B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, 25 include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-Schedule H4 discloses 100% non-federal activity. Please be advised that by definition, this activity does not qualify as a shared expense(s) to be allocated between your federal and non-federal accounts. If the disbursements represent 100% federal operating expenditures, they should be itemized on Schedule B supporting Line 21(b) of the Detailed Summary Page. If your non-federal account paid for these expenses as 100% non-federal expenditures, they should not be disclosed on Schedule H4. Any reimbursement from your committee's non-federal account for any portion of this activity is not permissible and must be returned. 11 CFR §102.5(a)(1)(i) Please amend your report to clarify this discrepancy.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1140.
