Dear Mr. Jones:

I am in receipt of your letter, dated February 27, 2009, concerning joint transfers made from Victory NOW/Kratovil Joint Fundraising Committee to Victory NOW PAC with respect to a joint fundraiser.

I believe that the total amount of transfers made to Victory NOW PAC from Victory NOW/Kratovil Joint Fundraising Committee was \$17,471.53, not \$17,451.73 as you set forth in your letter. I am hoping that this was perhaps a typographical error because all of my records show consistently a total of \$17,471.53.

There were three transfers: one for \$13,000, one for \$4062.78 and one for \$408.75.

With respect to the \$13,000 transfer, there were 17 contributions that were not required to be itemized because each, alone or when aggregated with other contributions made to Victory NOW PAC during that calendar year, did not exceed \$200. The aggregate total of those unitemized contributions was \$3000.

With respect to the \$4062.78 transfer, there were 2 contributions that were not required to be itemized for the same reason set out above. The aggregate total of those unitemized contributions was \$200.

Therefore, the actual amount of contributions received by Victory NOW PAC with respect to this joint fundraiser was \$19,175 (\$15,975 in itemized contributions, as you set out in your letter, plus \$3200 in unitemized contributions).

I have added a text memo to this effect to the entries for both transfers and accordingly filed amendments to the two reports that included these transfers.

Please let me know if there is anything else that you would like for me to do.

Thanks very much.
