Response Due Date
10/18/2021

IDENTIFICATION NUMBER: C00552547

REFERENCE: APRIL QUARTERLY REPORT (01/01/2021 - 03/31/2021)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A supporting Line 11(a)(i) of your report discloses memos from Zeldin Victory Committee 2022 that appear to be received through joint fundraising efforts. However, Zeldin Victory Committee 2022 is not disclosed as a joint fundraising representative on your Statement of Organization. Please amend your Statement of Organization to disclose the joint fundraising representative as an authorized committee of the candidate or amend your report to provide clarifying information. (11 CFR §102.2(b)(1)(i) and 11 CFR §102.17(b)(2))
2. Schedule A of your report discloses contributions earmarked through a conduit. However, your report does not clearly disclose which conduit memo entry corresponds to each earmarked contribution.

Please be reminded that when a committee receives an earmarked contribution(s) through an allowable conduit, each individual contribution must be itemized when the individual's total contributions to your committee aggregate over \$200 per election cycle. This itemization must include the full name, address, occupation, and employer of the individual contributor along with the date the contribution(s) was received by the conduit. Any un-itemized contributions received through the conduit must be included in your totals on Line 11(a)(ii) of the Detailed Summary Page.

In addition, information regarding the conduit or intermediary for each

contribution must be itemized on Schedule A as a memo entry. The conduit's full name and address (and occupation and employer if the conduit is an individual) must also be provided, along with the date the contribution(s) was received by your committee and the total amount of earmarked contributions received from the conduit.

Please amend your report to disclose the proper format for earmarked contributions received from a conduit or intermediary. Please clearly indicate which conduit memo entry corresponds to each earmarked contribution. You can refer to the FEC Campaign Guide for Congressional Candidates and Committees for further guidance on how to report earmarked contributions through a conduit (11 CFR § 110.6(c)(2))

- Your report disclosed a category of financial activity that appears to be disclosed on the wrong line of the Detailed Summary Page. For your information and consideration when preparing future filings, transfers from Joint Fundraising Representatives, such as "Take Back the House 2022" and "Zeldin Victory Committee 2022," should be properly disclosed on a **separate Schedule A, supporting Line 12** of the Detailed Summary Page. Each participating committee shall report its share for net proceeds received from the joint fundraising committee as a transfer-in on **Schedule A, Line 12**. A memo Schedule A must be provided to itemize your committee's share of the gross contributions received through the joint fundraiser. The memo schedule should itemize each individual who has contributed an aggregate in excess of \$200 during the election cycle and provide the amount of unitemized contributions received. In addition, the memo schedule should itemize your committee's share of all contributions from political committees, regardless of amount. (11 CFR § 102.17(c)(8)(i)(B)) Please refer to the Form 3 instructions for each line when determining the proper categorization(s) for your next filing. (11 CFR § 104.3(a) and (b))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just
