PO Box 101436

**Response Due Date:**  
**June 27, 2008**

Identification Number: C00431569

Reference: Amended March Monthly Report (2/1/08 - 2/29/08), received 4/25/08

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 items:

1. Schedule A-P of your report discloses one or more contributions that appear to exceed the limits set forth in the Act (see Attachment #1). You should examine all of your contributions to check for additional excessive contributions. The Committee's procedures for processing contributions should also be reviewed.

An individual or a political committee other than an authorized committee or qualified multi-candidate committee may not make a contribution to a candidate for federal office in excess of \$2,300 per election. An authorized committee may not make a contribution to a candidate for federal office in excess of \$2,000 per election. A qualified multi-candidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §§ 441a(a) and (f); 11 CFR §§ 110.1(b), (e) and (k))

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the

28039740783

clarifying information. If any contribution you received exceeds the limits, you may have to refund the excessive amount.

Excessive contributions may be retained if within sixty (60) days of receipt, the excessive portions are properly redesignated or reattributed. Guidelines for each option are provided below:

For reattributions, excessive contributions from individuals can be retained, if within sixty (60) days of receipt, the excessive amount is properly reattributed to another person. Please note that reattributions only apply to excessive contributions from individuals. An excessive contribution is considered properly reattributed if (1) the contributors provide the committee with written documentation, signed by each contributor, authorizing a reattribution and indicating the amount of the contribution to be attributed to each contributor, or (2) the committee reattributes, by presumption, the excessive portion of the contribution if the contribution was made on a written instrument from a joint account and was signed by only one of the account holders. In this case, the treasurer must notify the contributors in writing within 60 days of receiving the contribution that the committee intends to reattribute the excessive portion and must give the contributor an opportunity to request a refund. (11 CFR § 110.1(k)(3)(ii)(B))

For redesignations, the funds can be retained if within sixty (60) days of receipt the excessive amount is properly redesignated for a different election. An excessive contribution is considered properly redesignated if (1) the committee obtains signed written documentation from the contributor(s) authorizing the redesignation of the contribution for another election, provided that the new designation does not exceed the limitations on contributions made with respect to that election, or (2) your committee redesignates by presumption the excessive portion of the contribution for another election provided that the new designation does not exceed the limitations on contributions made with respect to that election. In this case, the treasurer must notify the contributor of the redesignation in writing within 60 days of the treasurer's receipt of the contribution. The notification must give the contributor an opportunity to request a refund. (11 CFR § 110.1(b)(5)(ii)(B)) Please note that you cannot presumptively redesignate an excessive contribution from a multi-candidate committee. Also, a contribution can only be redesignated to a previous election to the extent that the contribution does not exceed the committee's net debts outstanding for that election. (11 CFR § 110.1(b)(3)(i))

28039740784

If the foregoing conditions for reattributions or redesignations are not met within 60 days of receipt of the contribution, the excessive amount must be refunded. See 11 CFR § 103.3(b)(3).

Please inform the Commission of your corrective action immediately in writing and provide photocopies of any refund checks and/ or letters reattributing or redesignating the contributions in question. Refunds are reported on Line 28 of the Detailed Summary Page and on a supporting Schedule B-P of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A-P of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §§ 104.8(d)(2), (3) and (4))

The acceptance of excessive contributions is a serious problem. Again, the committee's procedures for processing contributions should be examined and corrected in order to avoid this problem. Although the Commission may take further legal action, prompt action by you to refund, redesignate, and/or reattribute of the excessive amount will be taken into consideration.

2. Schedule D-P of your report itemizes debts with outstanding beginning balances; however, these debts were not included on your previous report.

The Commission requires committees to continuously disclose debts and obligations. A debt of \$500 or less is reportable once it has been outstanding 60 days from the date it was incurred and should be disclosed on the next report. If the debts cited in Attachment #2 fall into this category, please amend your report to verify that these new debts with beginning balances were reported once they were outstanding 60 days.

A debt exceeding \$500 must be disclosed on the report covering the period in which the debt was incurred. If the debts cited in Attachment #2 fall into this category, please amend your report(s) to explain and correct this discrepancy. (11 CFR § 104.11(b))

3. When a committee reports receiving a loan from the candidate, it is necessary to clarify whether or not the candidate used personal funds or borrowed the money from a lending institution or some other source. Please amend your report to must indicate whether the loan is from the candidate's personal funds or if he/she obtained the loan from a bank loan, brokerage account, credit card, home equity line of credit or other line of credit.

If the candidate loan was obtained from a lending institution, you must also file a Schedule C-P-1 with the Commission providing the name of the lending institution and the complete terms of the loan between the candidate and the lending institution. Schedule C-P-1 can be downloaded from the FEC website at <http://www.fec.gov>, or requested through the FEC Faxline at (202) 501-3413. Electronic filers must submit the Schedule C-P-1 electronically.

If the loan(s) was from personal funds, please acknowledge that fact in an amendment to this report. It is important to note that "personal funds" is strictly defined by Commission Regulations. (11 CFR § 100.33))

4. Please be advised that purposes listed for debts on Schedule D-P differ from purposes listed for payments on these debts on Schedule B-P (see Attachment #3). For example, a debt owed to a staffer for the purpose of "travel" has a corresponding payment on Schedule B-P that lists the purpose as "salary."

If any of these disbursements were actually for the purpose of "travel," these disbursements must be itemized as follows: When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by staff to any one vendor that make up the reimbursement may have to be itemized. For example, if the campaign related payments to any one vendor by the campaign/staff aggregate in excess of \$200 for the election cycle, the staff advance payment to the vendor must also be itemized in a memo entry for that reimbursement. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and detailed purpose of the advance. If itemization is not necessary for a particular reimbursement to staff in excess of \$500, you must indicate so in an amendment to this report. (11 CFR § 104.9)

Please explain the differences between debt purposes and debt payment purposes listed on Attachment #3 and amend your report to reflect the necessary changes.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or use the local numbers listed below.
