Dear Mr. Mill:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The beginning cash balance of the February Monthly Report does not equal the ending cash balance of the Amended 2000 Year End Report received 8/9/01. In addition, the beginning cash balance of the March Monthly Report does not equal the ending cash balance of the February Monthly Report. Please clarify these discrepancies and amend any subsequent report(s) that may be affected by these corrections.

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Election filers must file amendments (to include statements, designation and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
