Reference: April Monthly Report (3/1/93 - 3/31/93)

Dear Mr. Averett:

This letter is to acknowledge receipt of your letter dated July 5 (which we received on July 11) and confirm our two subsequent telephone conversations.

We appreciate your bringing to our attention the reporting discrepancy regarding contributions from the Chevron Employees PAC to the 1992 campaign of Robert Bennett for the U.S. Senate.

We regret the delay in responding to your inquiry in writing. We had to retrieve our files on this matter from our archives in Dublin, CA and have been working with the Bennett campaign staff to determine the manner in which the campaign disclosed the contributions. This will enable us to determine whether we can amend our original reports with the correct designation or must request a refund from the recipient.

We want you to know we are proceeding with due diligence to resolve this matter in a timely manner.

Sincerely,

*Carol Lottice*
