Amended Year End Report (11/25/08-12/31/08)
Your Letter May 13,2009

With reference to the above report, please be advised of the following:

- 1) The MEMO entry on Line 24 discloses additional costs to Laguens Kully Klose for Vernon Buchanan. This cost is in addition to our \$19,000 independent expenditure reported and distributed on September 18,2008. The vendor invoice was not received until our 2008 year end reporting period.
- 2) The schedule H4 payment to Anne Lewis was erroneously reported as consulting fundraising. It should have been reported as consulting administrative.

If you require further information or clarification, please contact us.

Sincerely,

Caroline C. Fines
Assistant Treasurer
