The Committee is amending this and all subsequent reports to correct the Levin Schedules. The Committee opened a new Levin Account but inadvertently left the transfer from the old account to the new account off the report. This amendment corrects that oversight. Please note that the employees that were disclosed on Schedule H4 and/or Schedule B supporting Line 21(b) as payroll spent less than 25% of their time during the period working on Federal Election Activity or activities in connection with a Federal Election. This also includes fringe benefits for those specific employees. - All fundraising and event activity on this report were for the sole benefit of the committee and not attributable to any candidate for federal office. - No national party transfers were designated for any activity that meets the definition of exempt.
