We do not have any individual contributors over \$200 to report at this time. In addition, we continue to experience technical difficulties with the newest version of the software, 6.1.1.3. After several conversations with tech support they are still unable to determine what the problem is or how to fix it. We are receiving warnings about our committee ID's being missing, although they are there. Tech support says that they will mail me a CD with the newest software version to install since the software downloaded from the website does not seem to be working properly.

\*\*This report is being amended in response to the commission's notice dated May 9, 2008. States where independent expenditures were made are identified in the 'purpose of expenditure' data field on schedules D and E. FEC-file software would not accept State information in any other data field.
