Dear Ms. Thangavelu:

We represent Carolyn's PAC ("the Committee") and I am Assistant Treasurer and Counsel. I write in response to the above-referenced RQ-2 received from the Federal Election Commission. Pursuant to the Statement of Organization (Form 1) filed at the time the Committee was organized with the FEC, and the subsequent authorization/approval on file with the Electric Filing Office, I am the designated individual authorized to electronically sign and file reports in my capacity as Assistant Treasurer. The electronic filing system has accepted and continues to accept my name as signer and the electronic filing password assigned to me. To date, the Committee has filed all reports timely.

Please contact me directly at the above number with any questions or request for further documentation.

Very truly yours,

Andrew R. Tulloch

Dear Mr. Maloney:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. An adequate response must be received by the Commission by the response date noted above. An itemization of the information needed follows:

Please amend your report(s) by providing the signature of an individual that is authorized to sign the report(s). 2 U.S.C. §434(a)(1) and 11 CFR §104.14(a) and (d) If a new treasurer has been appointed, please file an amended Statement of Organization (FORM 1) or a letter (if not an electronic filer) to reflect this change.

Please note, you will not receive an additional notice from the Commission in this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. Requests for extensions of time in which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations, reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have
