Re: Table Talk, LLC Form 5 Independent Expenditure Filing

Dear Federal Election Commission:

This cover letter is intended to serve in an explanatory capacity for the enclosed Form 5 independent expenditure filing for Table Talk, LLC (Table Talk), which is located at 13985 Fowler Avenue, Omaha, NE, 68164. Although Table Talk is reporting in excess of \$50,000 in expenditures, it is filing by paper because it could not obtain an electronic password because it did not yet have an FEC ID Number as Table Talk has never before filed a report. We originally requested an electronic password on 6/23/15, but received a call from the FEC saying they could not provide one due to our lack of an FEC ID Number. After this filing and the issuance of an FEC ID Number, Table Talk intends to make future filings, including its April 2015 and July quarterly filings, in electronic format after requesting an electronic password.

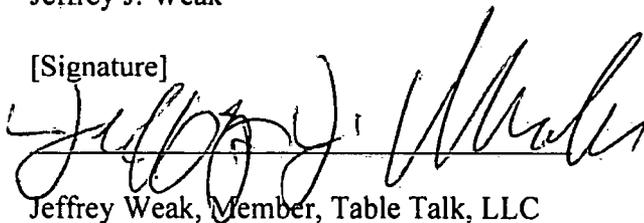

You may contact me at 402.415.8508 with any questions or concerns.

I, the undersigned, represent that I am the duly appointed representative of the requesting entity and have the authority to sign FEC reports on behalf of that entity.

Sincerely,

Jeffrey J. Weak
