REFERENCE: JULY QUARTERLY REPORT (04/01/2023 - 06/30/2023)

Dear Mr. Harkins,

This statement is in response to the Commission's letter to the Committee dated September 28, 2023, regarding three (3) items.

First, the Commission's letter requests clarification regarding contributions from thirty-five (35) contributors disclosed on the above-referenced report (the 'Original Report') that appear to exceed federal contribution limits. All of the listed contributions were properly and timely redesignated, reattributed, refunded/charged back, or returned to a joint fundraising committee ('JFC') in which the Committee participates for proper reallocation, as is or will be reflected on either (as appropriate) the Amended Report being filed contemporaneously with this submission or on a subsequent Committee report filed with the Commission:

- Ten (10) of the listed contributors had their excessive contributions properly and timely reattributed to their spouse;

- Fifteen (15) of the listed contributors had their excessive contributions properly and timely either refunded or charged back to the contributor's credit card;

- Three (3) of the listed contributors had their excessive contributions properly and timely redesignated to the Committee's General Election Account;

- Two (2) of the listed contributors had their excessive contributions properly and timely returned to a JFC for proper reallocation;

- Two (2) of the listed contributors had their excessive contributions properly and timely redesignated to the Committee's General Election Account and the remainder reattributed to their spouse;

- One (1) of the listed contributors had his excessive contributions properly and timely redesignated and the remainder refunded; and

- The Committee has confirmed that in two (2) instances, the listed contributors are separate individuals and have not exceeded federal contribution limits.

Second, the Commission's letter requests clarification regarding three (3) apparent excessive contributions disclosed on the Original Report from committees that do not appear to have qualified for multi-candidate status. To the best of the Committee's knowledge based on publicly available information, all referenced contributors have qualified as a multi-candidate committee through affiliation as follows:

- The Guardian Life Insurance Company of America PAC - General (C00674465) through its affiliation with The Guardian Life Insurance Company of America Political Action Committee - Federal (Guardian Life P (C00173393);

- Enact Holdings, Inc. Pac (Enact Pac) (C00821744) through its affiliation with Genworth Financial, Inc. Political Action Committee (Genworth PAC) (C00404194); and

- Propelling America Into Tomorrow (C00771188) through its affiliation with Citizens for Prosperity in America Today PAC (C00491654).

Third, regarding disbursements disclosed on the Original Report with the purpose description of 'Voided Check,' as noted on the transaction this was a payment that was issued in error and no additional goods or services were rendered.

Please feel free to contact us if you have any further questions.

Sincerely,

Stacy E. Wiggins
