Form/Schedule: **F3XA**
Transaction ID: **C00099259**

No expenditure was made on behalf of a specifically identified federal candidate. No expenditure was for a public communication that referred to a clearly identified candidate for Federal office and that promoted, supported, attacked or opposed any such candidate for Federal office. All disbursements for salaries and benefits disclosed on Schedule H4 are for employees who did not spend more than 25% of their compensated time during the month on Federal election activities or activities in connection with a Federal election. The individuals to whom disbursements were made for software consulting, political consulting and security are not employees of the committee. Due to a committee misunderstanding of the requirements for joint activity in-kind contributions, the required transfer did not occur until October 26, 2006. During the period beginning with receipt of the joint activity in-kinds and prior to the transfer for them, an amount far in excess of that was due to the federal account for monetary non-federal joint activity during the period. As a result, at all times the federal account had less funds than actually available for federal purposes.
