

This letter is in response to the Commission's request, dated July 16, 2008, in regards to the 2008 May Monthly Report.

1. The contributions on Schedule A from non-registered political committees were made from funds raised from permissible sources. These contributions were also below the threshold set by the Commission requiring these committees to register.

2. All fundraising related expenses on Schedule B were for the sole benefit of the Committee and did not support or reference Federal candidates.
