This report is being amended to correct disbursement amount and election type for transaction B205819, and to add a line 29 disbursement that was inadvertently left out of the original report. Please adjust your records accordingly.

Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.
