RE:In-Kind Contributions for Debts and Obligations

Dear Ms. Benitz:

This statement is filed contemporaneously with the April 15 2014 Quarterly Report for Reclaiming Freedom PAC to provide details regarding the in-kind contributions from certain vendors for the resolution of certain debts previously reported by the committee.

Specifically, debts have been reported by this committee for services from:

Gober Hilgers PLLC covering the period 9/20/2012 to 12/31/2013 for Legal Services;
Harris Media LLC on 7/3/2012 and 8/3/2012 for Web Services Retainers, Design and Development;
Law Office of Michael R. Davis LLC on 7/2/2012 and 7/31/2012 for Legal Services.

As of March 2014, these debts are now considered paid through an in-kind contribution from each of the vendors listed above.

The transactions disclosing the in-kind contributions are reflected in the totals on the Summary Pages on Lines 6c and 11ai and are itemized on Schedule A. The payments for the outstanding debts are reflected in the totals on the Summary Pages on Lines 7 and 21b and are itemized on Schedule B. The entries on Schedule B operate to offset the in-kind contributions on Schedule A in order to disclose the committee's accurate cash on hand.

It is my hope this statement provides an adequate explanation for these transactions so that the report remains consistent with the Commission's high standards for public disclosures. Please do not hesitate to contact me if you have any questions or need additional information regarding April 15 Quarterly Report.

Sincerely,
Brian J. Wise
Treasurer
