We write in response to your Request for Additional Information dated May 31, 2017, regarding the Committee's Amended Year-End Report, filed April 5, 2017. As a Committee dedicated to electing candidates to support campaign finance reform, we strive to ensure that we completely and accurately report all of the committee's receipts and disbursements on the public record. After receiving the letter, the Committee commenced a careful review of all independent expenditures made during the 2016 election to ensure that all were reported properly on Schedule E and Schedule D, where appropriate. Through this review, the Committee determined that all of its expenditures were reported to the Commission, though it has amended its reports to ensure the completeness of the public record. The Committee appreciates the Reports Analysis Division for bringing these issues to its attention.

With respect to the letter's specific questions.

1. The Committee reported estimated media production costs of \$55,000 on the 48 hour report filed August 18, 2016. These costs were reported with a date of dissemination of August 16, 2016. The Committee will be filing an amendment to its year-end report to clarify the date of dissemination for actual costs in the amount of \$52,443.91.
2. The Committee reported estimated media production costs of \$18,000.00 and \$12,000.00 on 48 hour reports filed August 18, 2016 and August 26, 2016, respectively. The Committee will be filing an amendment to its year-end report to clarify the dates of dissemination for actual costs totaling \$40,400.45.
3. The Committee will be amending its report to clarify the amounts and dates for the identified independent expenditures, which were previously reported on 24 and 48 hour reports on Schedule E of its report.

Should you have any questions, please do not hesitate to contact the Committee.

Very truly yours,

Brian Foucart  
Treasurer
