Dear Ms. Downs:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Line 5(b) indicates that your committee is an authorized committee. However, Line 5(f) of your committee's Amended Statement of Organization, dated 12/10/98 indicates that your committee is an unauthorized committee that supports/opposes more than one Federal candidate.

Please amend your filing by indicating the appropriate type of committee on Line 5 and identifying any affiliated or connected organization on Line 6. 11 CFR §102.2(a)(1)(ii)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
