RE: California Association of Marriage & Family Therapists (ID# C00346619) Amended Statement of Organization, Received 5/27/2011

Dear Ms. Miller:

We are in receipt of your letter dated July 6, 2011 regarding the Statement of Organization amendment filed by our client, the California Association of Marriage & Family Therapists. Below are responses to each of the issues raised in your letter.

1. Your letter states The entire name of your connected organization [] must be included in the name of your political committee.

The committee name had previously abbreviated the word Association. An amendment to update the committee s name to include the full name of the California Association of Marriage & Family Therapists will be filed on or before August 8, 2011.

2. Your letter also stated that the political committee shall submit a complete version of the report as amended, rather than just those portions of the report that are being amended.

We have reviewed the Statement of Organization that was electronically filed on May 27, 2011 and the box on line 5(e) indicating the type of connected organization was inadvertently not completed. This box was not checked when the amendment was electronically filed due to a clerical error in our office. An amendment to update this information will be filed on or before August 8, 2011.

Please let us know if you have any questions concerning these responses to your letter.

Very truly yours,
OLSON HAGEL & FISHBURN LLP
