REFERENCE: FEBRUARY MONTHLY (01/01/2012-01/31/2012)

Dear Ms. Sugarman,

This statement is in response to the Commission's letter dated March 16, 2012. The Commission requested additional information on eight items. The response to items 1, 2, 3, 7, and 8 were contained in the Committee's statement filed on March 16, 2012.

The Commission inquired about memo entries for the unincorporated proprietorships or partnerships. These entries represent contributions from a previous reporting period for which the Committee was not in possession of the attribution information from the partnership at the time of the original report. The memo entries allow the Committee to appropriately link attributions received in a later period to a contribution received in a prior period.

The Commission noted a missing address on a Line 23 disbursement. The address has been provided in an Amended Report.

The Commission sought clarification on disbursements with the description: "advance consulting." The description for those disbursements will be clarified in an Amended Report.

Sincerely,

Darrell Crate
