Reference: December Monthly Report (11/1/01-11/30/01) and Amended Year End Report (12/1/01-12/31/01), received 2/11/02

Dear Mr. Haskell:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

- The beginning cash balance of the December Monthly Report (11/1/01 - 11/30/01) should equal the ending balance of your Amended November Monthly Report (10/01/01 - 10/31/01), received 2/11/02. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.
- The beginning cash balance of the Amended Year End Report (12/1/01 - 12/31/01), received 2/11/02 should equal the ending balance of your December Monthly Report (11/01/01 - 11/30/01). Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.
- Your calculations for Lines 19 and 20 appear to be incorrect. Please provide the corrected totals on the Detailed Summary Page.
- The totals listed on Lines 6(c) and 16, Column B of the Summary and Detailed Summary Pages appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct

Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division).
