Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Based on information you provided on your Termination Report, it appears that you have not yet met the requirements for terminating your committee. According to 11 CFR §102.3(a), your committee must satisfy the following conditions before it can terminate:

- a) it will no longer receive any contributions or make any disbursements that would otherwise qualify it as a political committee;
- b) it must extinguish or settle all outstanding debts and obligations pursuant to 11 CFR Part 116;
- c) and it must submit a statement explaining how it plans to dispose of residual funds (i.e., funds that remain in its account). (11 CFR § 102.3(a))

Please amend your report with clarifying information regarding your residual funds. Once the FEC receives and approves the corrections to your report(s), it will notify you. Until that time, you must continue to file all required reports.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee
