Re: July Quarterly Report (4/1/06-6/30/06)  
ID # C00011189

A bill from Capital Advertising, Inc. was paid, in error, from the wrong account. This bill should have been paid from the account of the Political Education League. The items purchased were shirts imprinted with the GPM International Union Seal. These shirts were used in fund raising activities. These shirts were not used to influence the election or defeat of any federal candidates. This error was found on the same day an additional invoice to Capital Advertising, Inc. was paid (from the PEL). As reported on that date, we corrected our error.

Sincerely,  
Bruce Smith, International Secretary-Treasurer
