Memo#1: The Committee is aware of the regulations regarding the disclosure of the name, address, employer and occupation of every contributor who contributes more than \$200 aggregate in a calendar year. The Committee fully discloses all contributor names and other information as they are indicated by the contributor. Every solicitation includes a clear and conspicuous request for the contributor information and informs the contributor of the requirements of federal law to report this information. If the information is not received with the contribution, the contributor is contacted per FEC guidelines by mail, telephone or email to obtain the missing information. All requests clearly ask for the missing information without soliciting further contributions, inform the contributor of the requirements of federal law for reporting this information, and, if the request is by mail, include a pre-addressed return envelope. Memo#2: Please note that the previously filed reports disclosed pre-payments for independent expenditures as operating expenditures. This report now discloses these as independent expenditures, based on date of public dissemination, as required. The negative operating expenditures are not vendor refunds but adjusting entries to move expenses from line 21b to line 24.
