Dear Ms. Fowler:

On November 15, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your November 20, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-On Schedule H2, you disclose the ratio for the LD2000 DINNER and BUSH 2000 DINNER fundraising events to be new; however, Schedule H2 of your 2000 12 Day Pre-Primary Election Report disclosed a ratio for this activity/event which is identical to the one given in this report. Please amend your report to clarify this discrepancy. 11 CFR §104.10(a)(1)

An adequate response must be received at the Commission by December 27, 2000. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Donald L.
