Please note that the first amendment to the 2018 October Quarterly report made on 12/10/2019, and particularly the addition of memo text in that amendment, was made in error. That memo text was intended to be attached to an amendment of the 2019 October Quarterly report. That memo text, as well as the substantive amendments referenced in that memo text, have been filed on this date -1/8/2020- in a first amendment to the 2019 October Quarterly report. This initial error and the intent to make these changes was also reported to the RAD.
