Reference: June Monthly Report (5/1/06-5/31/06)

Dear Ms. Senger:

This letter is in response to your request for additional information, dated July 14, 2006.

The Committee is well aware of regulations regarding the disclosure of the full name, mailing address, occupation and name of employer for all individuals who contribute in excess of \$200 in a calendar year. The Committee includes a request for the above information on all of its solicitations. This request clearly indicates that Federal Election Law requires the collection and reporting of this information. If the appropriate information is not received by the Committee with the contribution, either a follow-up letter is sent, an email request is sent, or the request is made by telephone within 30 days of receipt of the contribution. This follow-up clearly asks for the missing information, informs the contributor of the federal requirements for collecting and reporting the information and, if by mail, provides a pre-addressed reply envelope with the request. As was noted in your request for additional information, the Committee must file amendments to the original report once the information has been received. The employer/occupation information disclosed as Self/Business Owner has been reported as it was provided by the contributor. Volunteer PAC will file amendments as the information is received.

Your letter further indicates that Volunteer PAC made an excessive contribution to Friends for Mike McGavick. This contribution was incorrectly disclosed as being designated for the 2006 Primary Election. The contribution dated 5/5/06 should have been designated for the 2006 General Election. An amendment to the June Monthly Report has been filed to correctly disclose this disbursement.

Sincerely,

Dawn Perkerson
Treasurer
