Dear Ms. Benitz,

This letter is in response to a letter received by email on Friday, August 17, 2018. A copy of this letter is enclosed.

As instructed in your communication, we sent letters to the Andy Kim for Congress and Rodney for Congress campaigns requesting authorization from them to re-designate our contributions toward their 2018 general election, or refund of the contributions to us. Copies of these letters are also enclosed.

We received confirmation from both Andy Kim for Congress and Rodney for Congress that our contributions were designated on their respective reports as contributions toward the General Election. Copies of the emails are attached to the letter sent to them.

We filed an Amended report electronically yesterday, September 19. A copy of the FEC electronic filing results is also enclosed.

Sincerely,

[Handwritten signature of Paul Shearon]

Response Due Date

IDENTIFICATION NUMBER: C00164509

REFERENCE: JULY QUARTERLY REPORT (04/01/2018 - 06/30/2018)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in enforcement action.** Additional information is needed for the following 1 item(s):

- Schedule B supporting Line 23 discloses one or more contributions to a candidate(s) for the 2018 Primary election; however, the funds were disbursed after the election date(s) (see attached). Please note that contributions may not be designated for an election which has already occurred unless the funds are to be used to reduce a candidate committee's debts incurred during that election campaign. (11 CFR §§110.1(b)(3) and 110.2(b)(3))

If any apparently impermissible contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information. If the contribution(s) in question should have been designated for debt retirement, you should amend your report to indicate "debt retirement," along with the year of election.

If you have made an impermissible contribution, you must request a refund or provide a written authorization for a redesignation of the contribution pursuant to 11 CFR §110.2(b) within 60 days of the treasurer's receipt.

If the foregoing conditions for redesignations were not met within 60 days of the treasurer's receipt, your committee must obtain a refund. (11 CFR §103.3(b)(1) and (3))

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of the refund or redesignation request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received. Any redesignations should be disclosed as memo entries on Schedule B supporting Line 23 of the report covering the period during which the redesignation is made. (11 CFR §110.1(b))

Although the Commission may take further legal action regarding this impermissible activity, your prompt action in obtaining a refund and/or redesignating the contribution(s) will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. For additional information about the report review process or specific filing information for your committee type, please visit the Reports Analysis Division's Frequently Asked Questions on the FEC website. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1147.

Andy Kim for Congress
PO Box 211
Marlton, NJ 08053

Dear Mr. Kim:

IFPTE was notified by the Federal Elections Commission (FEC) on August 16th that we inappropriately designated our June 15th IFPTE LEAP-PAC contribution of \$1,000.00 to your campaign toward the primary election. We were notified that the primary election had already occurred in New Jersey, thereby rendering our designation impermissible.

According to 11 CFR §110.2(b), we are providing your campaign with this written authorization to re-designate IFPTE LEAP PAC's June 15th primary contribution toward your 2018 general election.

If Andy Kim for Congress PAC does not re-designate this contribution within 60 days of the treasurer's receipt, we respectfully request a refund of said contribution, as is required under 11 CFR §103.3(b)(1).

Thank you.

Matt,

My name is Tom Datwyler and I'm the treasurer for Rodney Davis for Congress. Just catching up here and reading this e-mail. Looks like you just need to amend your July quarterly report and change the contribution to us from Primary to General. (We attributed this to the General as the primary was over.)

Please let me know if you have questions.

Thanks,
Tom
