REFERENCE: AMENDED STATEMENT OF ORGANIZATION, RECEIVED 01/30/2022

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Line 6 indicates that your committee's connected organization is "8MINUTE SOLAR POWER LLC"; however, Line 5(f) states that your committee is not a separate segregated fund. A separate segregated fund is a political committee established, financed, maintained or controlled by a corporation, labor organization, membership organization, cooperative or trade association.

If your committee is a separate segregated fund, an amended Statement of Organization should be submitted which indicates the appropriate Type of Committee and Type of Connected Organization on Line 5(e).

If your committee is not a separate segregated fund, then you should not have listed any connected organization and should amend your Statement of Organization to clarify this discrepancy. (52 U.S.C. §30103(b) and 11 CFR §102.2(b))

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will**
