This Amended Report is in response to the Commission's Request, dated January 2, 2009. 1. All Summary Page totals should be correct on this report. 2. After careful review, the Committee has revised the list of 441ad transactions coded to the two referenced candidate. The Committee found irregularities between the records and what was reported. Those issues have been addressed. Also, the remaining 441ad authority was transferred from the DSCC and DCCC respectively. 3. The receipt on Line 15 from Madison County DEC was to reimburse the Committee for the Committee's portion of a general mailing that was done. The receipt from Roseanne Byrne on the same line was to reimburse the Committee for lodging expenses paid on her behalf. She was not reported because the original payment was made to the hotel directly. This hotel cost was not a Committee expense and a reimbursement was due. 4. The Committee has added additional employer and occupations for donor records on this report. The Committee has a best efforts practice were the donor information is requested at the time of sollicitaion and the required disclaimer is on all written solicitations. When a donation is received without the correct information, the donor is contacted via e-mail, telephone, or mail, depending on the Committee's relationship with the donor. If the information is received on a later date it will be provided to the Commission. 3. All transfers to the Non Federal Account were for Cash Flow purposes and the funds were not used to fund Federal Activity. 4. All transfers from National Committees were segregated in a sepe-rate account. This account was not used to fund any exempt activity. All exempt activity was paid for with Hard Federal funds.
