This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** Additional information is needed for the following 1 item(s):

- Your quarterly report discloses independent expenditures that do not appear on 24- or 48-hour reports (see attached).

(11 CFR § 109.10(c) and (e))

In addition, you are required to file 24-hour reports once your independent expenditures aggregate to \$1,000 or more after the 20th day but more than 24 hours before 12:01 a.m. of the day of the election. The report must be received at the Commission by 11:59 p.m. Eastern Standard/Daylight Time of the day following the date on which the communication is publicly distributed or otherwise disseminated. Requests for extensions of time in which to respond will not be considered.** Failure to comply with the provisions of the Act may result in an enforcement action against the committee.
