This is to respond to the RC-2 notice dated December 3, 2004; the letter was regarding a contribution to David Vitter for U.S. Senate made on Sept 17, 2004 to be applied towards the 2004 Run-off election. Mr Vitter did not participate in the Run-off election, therefore we received his refund of our contribution on Dec 8, 2004. This was reported on our year end FEC filing.
