

In its 2005 Year-End Report of Receipts and Disbursements, QPAC erroneously identified a November 17, 2005 contribution in the amount of \$1,000 to the Texans for Senator John Cornyn, Inc. Committee as a contribution for the general election. That contribution was in fact made toward the primary election, as correctly reported by the Cornyn Committee. QPAC's Report is being amended to reflect this.
