IDENTIFICATION NUMBER: C00033134

REFERENCE: FEBRUARY MONTHLY REPORT (01/01/2015 - 01/31/2015)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedules C and A supporting Lines 10 and 13 of your report disclose \$120,000 in activity identified as MEMO entries that do not appear to correspond with any itemized transaction(s). Please be advised, a memo entry is used to disclose additional information about an itemized transaction and the amount of a memo entry is not included in the total receipts or disbursements for the report. Please amend your report to provide clarifying information regarding this activity. (11 C.F.R. § 104.3(a) and (b))

2. Your report discloses a loan from a lending institution; however, you have not submitted a paper Schedule C-1 and a copy of the loan/line of credit agreement. Any political committee that receives a loan or line of credit from a lending institution must file Schedule C-1 along with a copy of the loan agreement with the first report in which the loan is incurred as well as each time a loan or line of credit is restructured to change the terms of repayment or each time a draw is made on the line of credit.

If the committee is an electronic filer, you must submit the Schedule C-1 electronically without the original signature from the lending institution. In addition, you must mail a copy of the loan agreement and a separate copy of the Schedule C-1 that contains the original signature from the lending institution.

Please amend your report to include the missing paper Schedule C-1 and loan

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
