On December 26th we received a notice that we signed with a person who was not listed as a designated person or officer for the December 20th report (11/1/2023-11/30/2023). Although we changed the person named as treasurer, Alyssa Mitchell (the person whos name was signed) is still with our organization. Upon speaking with our assigned analyst it was advised that we needed to update our form 1 to reflect Alyssa Mitchell as a designated person. The form was filed and accepted on January 2, 2024.

Our apologies for this mistake. Please let us know if any further action is needed to resolve this case.
