Re: Request for Additional Information (Pre-Election Report, 10/01 - 10/18/2006)

Dear Mr. Jones:

This is in response to the Federal Election Commission's analysis of the Save New York PAC's Pre-General Election 2006 FEC Disclosure Report and your request for additional information concerning that report.

1. Given that the majority of the contributions received are a result of direct mail solicitations and despite the fact that each appeal includes a clear and conspicuous request for the contributor information as well as occupation and employer; many of the donors do not provide the requested information. The committee has obtained much of the missing occupation and employer information and will continue to obtain and report the required donor information.
2. The committee wishes to confirm that all Direct Mail Fundraising Expenditures are on behalf of Save New York PAC and not for the benefit of any other Federal Committee. In addition, the disbursements to Michael Benjamin that display a purpose of: "Consulting - Management & Fundraising" represent compensation for his efforts as the committee's Executive Director. In that capacity, Mr. Benjamin has overall responsibility for the management of the PAC and its fundraising efforts.

I trust that this response will satisfy the Commissions request for additional information. Please contact me should you require anything further.

Sincerely,

Scott B. Mackenzie
Treasurer
